

PE Sports grant spending – Beacon Hill Academy – Sept 2022- 2023

DfE Key Indicators

1. The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school
2. The profile of PE and sport is raised across the school as a tool for whole school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

Money expected = £16,210

Spending plan

Intent	Implementation	impact	cost	KI	Next steps/comment
For pupils to experience accessible opportunities within their local community which are sustainable for outside of and beyond school This will build on last years offer	Provision of a bespoke outdoor education programme using providers who can bespoke activities such as sailing to make them accessible for all but can also offer wider opportunities for pupils and families to access these outside of school time	Pupils will be able to experience working with new people in the community and accessing new activities. Providers will gain specialist knowledge to support wider offer outside of school	£2500	4	
For all pupil to access an additional session of physically based activity that can be delivered within their classroom bases and	2 sessions a week of dance with Brian. To be delivered in a blended way – some onsite and some via remote in order to optimise use of specialist resource.	Every primary pupil is able to access a differentiated session. Individual physical maintenance and recovery programmes can be worked on and all class staff upskilled and confident to be able	£9000	1, 3,4	

adapted to meet their physical needs		to sustain opportunity and embed in other activities			
For all pupils to access water based physical activity (either swimming or hydrotherapy) in a pool that is deep enough to enable them to have buoyancy support	All pupils will access water, whether through therapy based activities or learning to swim. School hydro pool is not suitable for all so this will allow pupils to access a mainstream pool	All pupils will be confident in water. Therapy targets in terms of range of movement will be measurable in this environment Physical motor skills will be worked on for all pupils in water to try and sustain/improve health Cost of additional staff to support water based sessions – TA supply	£3000	1,4	
For pupils to transfer their physical skills into motivating real life contexts	Visits to local sensory allotment to be provided for all pupils. Pupils to have a chance to work on motor skills within a safe environment	All pupils will be able to experience visits to the allotment. To work on independent movement within this context. To develop fine motor skills through specific linked targets	£1050	1,4	
For all pupils at the end of primary to have opportunity to develop their independence and confidence in situations away from school and home	Provision of a bespoke Year 6 residential which can be offered to all, even if just for 1 night.	Pupils will be more confident when they move into the more community based learning environment of secondary team	£700	2,3	Postponed from last year due to Covid restrictions. Will include year 7s who missed this
