For pupils to experience outdoor education opportunities within their local community which are accessible and can be adapted to meet their needs with the support of skilled staff	Provision of a bespoke outdoor education programme using providers who can bespoke activities such as sailing and gym to make them accessible for all but can also offer wider opportunities for pupils and families to access these outside of school time.	Pupils will be able to experience working with new people in the community and accessing new activities. Providers will gain specialist knowledge to support wider offer outside of school. Pupils will be able to use these resources with their families outside of school time	£2000 £4500	4	Pupils were given the opportunity to access Grangewaters outdoor education centre for one term and Alternative movement gym for 2 terms

For all pupils to access water based physical activity (either swimming or hydrotherapy) in a pool that is deep enough to enable them to have buoyancy support	All pupils will access water, whether through therapy based activities or learning to swim. School hydropool is not suitable for all so this will allow pupils to access a mainstream pool	All pupils will be confident in water. Therapy targets in terms of range of movement will be measureable in this environment Physical motor skills will be worked on for all pupils in water to try and sustain/improve health	£9780	1,4	£1000 to provide activity £8780 to provide a higher staffing ratio to support full access for pupils
